Junior Program

Our Mission and Goals- Together we will offer juniors the opportunity to learn and enjoy the game of golf by; providing positive experiences and the opportunity to share those experiences and camaraderie with other junior golfers.

Because of the historical quality of golf and the honor associated with the game, our staff teaches that winning is not measured only by standing or trophy but by achieving ones personal best and giving their best in golf and in all aspects of life.

Specifically, we intend to:

- Make golfing fun and enjoyable.
- Help juniors learn the game to the best of their ability by teaching rules, etiquette, golf fundamentals and game management.
- Encourage them to practice and play often.
- Contribute to the personal development of each junior golfer through leadership and positive guidance.
