MEET THE COACHES

AnaMiguel Rodriguez

Hello Stockton Golf and Country Club. I am AnaMiguel Rodriguez and I am excited to be your Head Coach for this 2019 Summer Season. Swimming has been a part of my life since I learned to swim at 4 years old (shout out to Snell's)! I started my career in the Stockton Summer League. When I wanted to get a leg up on the competition, I joined Tiger Aquatics, where I swam for the next 10 years. I finished up my career as a Division 1 collegiate swimmer for University of the Pacific. I coached for a summer league team when I was in college, but took a break to begin my life as a teacher! I am currently a 7th grade teacher at a local school and coach at Tiger Aquatics! I am so excited to give back to the league that gave me the love and passion I still have for swimming. Let's Go, Sharks!

Priscila Saenz

Hello, my name is Priscila Saenz, and I am a 25-year-old college student. I am currently in a Master's program for counseling at Sacramento State. My entire life I have been an athlete and I understand the determination it takes to compete and to be part of a team. I am extremely excited to be a swim coach and help your children excel as swimmers. I have been swimming since I was 3-years-old. I have been around the pool my entire life because my mom was a swim-mom and I was practically born in the water. I swam competitively from a young age until high-school, and in high-school I was a part of the swim team. I also played 6 years of Water Polo, four years in high-school, and two years while I was in college down in San Diego. I am dedicated to coaching this team and putting forth all of my effort in helping them grow. Thank you!

Chris Turcotte

Hi there! My name is Chris Turcotte! I have been in the local Stockton swim scene since I was 6 years old. In Middle school, he joined the Tiger Aquatics club team and continued my swim career at Delta College. Throughout my time, I have coached local recreational teams, including the one I grew up with!
